Announcing

The New Series Chandler Dispatch

THE Chandler Dispatch, for a year past, has outsold all other cars of I the sport type. The Chandler factory has been unable to build this car in quantities which could fill the demand. Its popularity is one of the high spots in motordom.

And now comes the new series Dispatch-a snappy, handsome car. Thousands of alert Americans, who appreciate Chandler quality, welcome the new Dispatch. You, too, will be delighted with it if you wish a really good car, with style in design and beauty in finish and unexcelled in its ability to perform.

The new series Chandler Dispatch is handsomely uphoistered in bright finish hand buffed leather. It seats four passengers in the ultimate degree of comfort. Its finish is in the beautiful new Chandler Rainbow Blue, richly lustrous.

You are asked to pay much more for cars which might perhaps be compared with the Chandler. And cheap cars sell for but little less.
